

NB – In accordance with the Standards in Public Life Act (as amended from time to time), the CSPL will only consider requests for extension of the deadline to submit declarations that are received prior to the date on which the filing is required. Any request must specify the period for the extension, which cannot exceed 60 days after the original deadline. Please complete all sections of the request form. Incomplete forms will not be considered. A response to your request will be sent within three (3) business days.
